

Free I.T. Training

ITQ is a new flexible nationally-recognised NVQ. An IT training programme designed by employers to meet the needs of today's modern businesses.

It is tailor-made for you, taking into account your existing IT skills and any other training you may already have undertaken.

You could benefit from:

- ✓ **ECDL Extra (Level 2)**
- ✓ **Most Courses Fully Funded**
- ✓ **Successful Candidates Receive a Full Level 2 ITQ Qualification**

Skills Covered Include:

- **Improving Productivity Using IT**
- **Word Processing**
- **Spreadsheets**
- **Presentation Software**
- **Other Skills Available**

This is a limited offer
